

Our School Program

In our **Early Childhood** (PK3&4) classrooms, we implement the **Creative Curriculum** and **Building Blocks** for Math.

In **K-2**, we take a structured approach to teaching foundational literacy skills. **Across K-5**, we teach a knowledge-rich ELA curriculum, Eureka Math, Science, & Social Studies, leading to **significant proficiency gains in ELA and Math** on the 2019-2024 PARCC tests.

We've also been honored 3 times as a **Bold Performance School**, and are the 2nd-ranked Title I DC school, & Top 5 among ALL DC ES!

Our beautifully **modernized campus** includes bright classrooms, school garden, playgrounds, & field!

We are a **diverse community** of 400 students from across DC who speak 20 languages and bring a range of learning styles and talents.

We are the WILDCATS!
